Present the CP helis Nation Wide throwdown series

September 2-3 in Mackville Wisconsin

## ***CP HELIS***

***Valley Aero Modelers (VAM) Quarry field  
W5007 Quarry Road  
Mackville WI  
54913-9758  
September 2nd and 3rd  
2017  
Host: Matthew Cramer***

## ***NATIONWIDE HELI THROWDOWN***

attractions and hotels available. Also for those aviation enthusiast the EAA (Experimental Aircraft Association) is just 15 miles away in Oshkosh WI. This event will be held in conjunction with VAM's Annual rotary Wing fun fly! And is an AMA sanctioned event.

❑ **Pilot information:** Pilots must have current AMA to participate in the event, attend the pilots meeting on Saturday morning time TBA, ( another will be held Sunday morning) there will be a pilot fee of \$10 for the event. In the event you are NOT AMA please feel free to attend and meet your CP Heli brothers and sisters. If you have a Heli that has been giving you trouble bring it with you and perhaps we can help you get it running right.

❑ **Flying site information:** The VAM flying site is a AMA insured facility, the site has generator power for charging your batteries, a pavilion and club house . For camping info please contact Matt Cramer @ matthewdcramer@aol.com And as with any other event be mindful of the host clubs rules and regulations!

❑ **Additional info:** Friday afternoon arrival is welcomed; there will be a designated area for flying on Friday for those that wish to get some flights in. There is our local hobby shop located within about 5 mile of the flying site along with plenty of places to eat ect, in Appleton WI.

Food will be provided on site for purchase Sat afternoon and Sunday by a local food stand.

Night flying will start at dark on Friday evening with construction tower lights on site for those without dedicated night machines. Donations to cover the cost of the lights will be accepted.

Pilot raffle will be held Saturday at noon with several items donated.

Please visit [www.FLYVAM.club](http://www.FLYVAM.club) for directions to quarry field, and feel free to email [MatthewDCramer@aol.com](mailto:MatthewDCramer@aol.com) for any questions you may have.
