

Meeting minutes

Date: 1/8/18

Location: The Bar

Time called to order and by whom: called to order at 1801 by President Miller

of members in attendance: 13 members in attendance with all officers present

Secretary's report:

Read and approved

Treasurer's report:

Read and approved- we are currently at 26 paid members for 2018

Quarry field report:

Open and flyable. As a reminder, the handicap port-o-potty is closed for the winter as there is no fluid in the tank. All combo's have been changed to the 2018 combo. Once you pay your annual membership, you will receive the new combo

Sod farm report:

Closed for the season

Old Business:

2018 Show and Auction: flyers and posters have been distributed. Poster has been confirmed posted at the GB Hobbytown. More will be printed for upcoming shows and HobbyTown's. Club website has been updated. Early admission will only be allowed if you are volunteering to work during the event or pay the premium admission fee (\$20)

Frozen Finger fun fly recap: light attendance due to the cold, but overall seemed to be a successful event

FAA registration updates (if any): none at this time

New Business:

Club house update and budget discussion: following discussion at the frozen finger fun fly recommendation was to OSB and plastic with no ladder, access hole only. Anticipated cost of this recommendation is \$350. We could look at adding insulation at a later time if we find that it's needed. Upon further discussion, moved to purchase OSB and insulation. Motion made,

seconded and approved to spend up to \$900 the ceiling. Matt Cramer volunteered to be the project manager

Annual awards: recommendation made to have annual awards presented again for service to the club in 2017. Tim and Steve will take the lead on putting together the awards for the Feb meeting

New Generator: discussion held on purchasing a new, bigger generator. Recommendation made to table additional purchases until after the show and auction as well as to talk to Don at Abby's heating for options, cost and needs

Batteries for sale: Jason Doran from GBC and ZDZengines is taking on selling grade A LIPO batteries and would like to place an order by Jan 19th. Special pricing (cash) is available for club members only. Contact TR or Jason for more information on this special pricing

Reminders and upcoming events:

If you are not getting emails from the club email about meeting notices or upcoming events, please email flyvam670@gmail.com so we can update your email address

Gate NEEDS to be locked correctly as it creates an issue with the city. If you do not know how to lock the lock, please ask or see someone. Reminders are sent to the whole club from the Club website and are not directed at anyone personally

Milwaukee area show and auction is on Jan 28th in West Bend. Shawano Swap meet is Feb 25th

Clothing order: we still have hats and t-shirt available for purchase from Heath. If interested in purchasing anything additional let us know

Be sure to check out the upcoming events on the club website located at flyvam.club for other upcoming events

Adjournment: motion made and approved to adjourn at 1853

Meeting minutes

Date: 2/12/18

Location: The Bar

Time called to order and by whom: called to order at 1800 by President Miller

of members in attendance: 13 members in attendance with all officers present

Secretary's report:

Read and approved

Treasurer's report:

Read and approved- we are currently at 32 paid members for 2018

Quarry field report:

Open and flyable and in good shape. As a reminder, the handicap port-o-potty is closed for the winter as there is no fluid in the tank. All combo's have been changed to the 2018 combo. Once you pay your annual membership, you will receive the 2018 gate combo

Sod farm report:

Closed for the season

Old Business:

2018 Show and Auction: flyers and posters have been distributed. Event is Sun March 4th. We have over \$2000 in donations received already and are anticipating over \$3000 in total raffle prizes. Volunteer sign-up sheet will be posted on the club website. Please visit the website to sign up for an activity that morning

Clubhouse update: new ceiling has been installed and has made a big improvement with keeping the heat in the building.

New generator: on hold (from Jan meeting) until April meeting

New Business:

No new business was presented

Reminders and upcoming events:

If you are not getting emails from the club email about meeting notices or upcoming events, please email flyvam670@gmail.com so we can update your email address

Gate NEEDS to be locked correctly as it creates an issue with the city when it is not. If you do not know how to lock the lock, please ask or see someone. Reminders are sent to the whole club from the Club website and are not directed at anyone personally

Milwaukee area show and auction is on Jan 28th in West Bend.

Shawano Swap meet has been moved to Feb 18th

Clothing order: we still have hats and t-shirt available for purchase from Heath. If interested in purchasing anything additional let us know

Meeting minutes

Date: 3/12/18

Location: The Bar

Time called to order and by whom: called to order at 1801 by President Miller

of members in attendance: 13 members with 1 new member (Al Svetlik) in attendance. All officers present. Welcome to our club Al

Secretary's report:

Read and approved

Treasurer's report:

Read and approved, which included show and auction recap- we are currently at 44 paid members for 2018

Quarry field report:

Open and flyable and in good shape. As a reminder, the handicap port-o-potty is closed for the winter as there is no fluid in the tank. All combo's have been changed to the 2018 combo. Once you pay your annual membership, you will receive the 2018 gate combo

Sod farm report:

Closed for the season

Old Business:

2018 Show and Auction results: unable to determine actual door count, however we anticipate that there were 20-30 premium sales. Estimation of door count was approx. 320 people.

Overall the event seemed to be a success including the early bird admission.

Recommendation to put on the wristbands instead of handing them out as this prevents people from handing them off to someone else. It was also recommended that we review purchases and make them closer to the event based on donations as that may help increase profits. We may need to consider a new venue for next year as Monarch Gardens is for sale-event charge will be the same this year and we are scheduled for next year should it still be available.

New generator: on hold (from Jan meeting until April)

New Business:

Upcoming summer events: Sanction submitted for July 22nd (Sunday) Summer Fly. Sanction submitted and approved for heli fun fly on Sept 1st-3rd (Labor weekend). Brendan day's will be on July 21st. Will look at the doing a Combat event in Sept. Will look at Sept 8th or 22nd. Date to be locked in at next month's meeting.

Myra's Chuckwagon: we will look at using them again this year. Mickey will contact them to give them dates and invite them to an upcoming meeting

Combat: will look at starting first Tue in May. We will look at scheduling a build date prior to that

Online clothing order suggestion: Mickey will look at setting up a club group site for ordering clothing. More information to follow

Radio Operators: would like to use the field again this summer on 6/23 and 6/24. Approved to give them ok to use our field once again this year

Spring cleanup: will look at scheduling for April 21st with a rain date of April 28th.

Summer meetings: will be at Quarry in June, Sod Farm in July and Quarry in August

Reminders and upcoming events:

If you are not getting emails from the club email about meeting notices or upcoming events, please email flyvam670@gmail.com so we can update your email address

Gate NEEDS to be locked correctly as it creates an issue with the city when it is not. If you do not know how to lock the lock, please ask or see someone. Reminders are sent to the whole club from the Club website and are not directed at anyone personally

Date: 5/13/18

Location: The Bar

Time called to order and by whom: called to order at by President Miller by 1801

of members in attendance: 9 members with all officers present

Secretary's report:

Read and approved

Treasurer's report:

Read and approved, we are currently at 54 paid members for 2018

Quarry field report:

Open and flyable and while wet in spots in good shape overall

Sod farm report:

Pretty wet with standing water in places. Use best discretion to not cause damage if you are flying at Sod Farm

Old Business:

Summer events update (if any): no updates at this time. Combat competition will be Sept 22nd from 9a-3p. More to follow as the date comes closer

Family Fun Fly event: will be scheduled in Aug

Summer combat league: started on May 1st and continues every Tues. throughout the summer

Spring cleanup completed on Sat May 12th. Thank you to everyone that assisted with the clean-up

Myra's chuckwagon: confirmed they will be able to make our summer events

New Business:

Weed killer: TR will reach out to John Robertson to see if he will once again spray the field once again this year. Motion made to spend up to \$175 on weed killer. Approved

Calumet Flyers update: their field is/was underwater. We have offered the use of our field to their members until their field dries out

Hobbytown is participating in an event with the Neenah Police at their Family Fun night on May 16th from 5-730p. Hobbytown will be having a "try me" RC hobby cars and quad flyers will be flying weather permitting

New generator discussion was held on possible options for a larger Briggs and Stratton generator (model #30675Q6500-Quiet Series Invertor/Generator) located at Fleet Farm. Generator being considered is a 5000watt, 6500 surge, invertor/generator, which can be viewed in the store or online or on Amazon. Vote on generator will be taken at the June meeting by members in attendance

Online clothing order website/info: a website was located for a group order. The order will include a t-shirt, a long sleeve t-shirt, a hoodie and a windbreaker. Order will be emailed to the club once finalized. Payment will be made to the online site once the order closes. Heath will also publish our logo's on the club website if you want to use the logo for your own custom order in other color's or styles

Reminders and upcoming events:

Radio Operators: will be using field for their annual event on 6/23 and 6/24. No impact to the club or flying

Summer meetings: will be at Quarry Field in June and August and the Sod Farm in July

If you are not getting emails from the club email about meeting notices or upcoming events, please email flyvam670@gmail.com so we can update your email address

Meeting minutes

Date: 8/13/18

Location: Quarry Field

Time called to order and by whom: at 1802 by President Miller

of members in attendance: 13 members with all officers present

Secretary's report:

Read and approved

Treasurer's report:

Read and approved, we are currently at 71 paid members for 2018

Quarry field report:

Open and flyable and in great shape overall

Sod farm report:

No report or update provided

Old Business:

Summer events update (if any):

Brennand days Summer Fun fly: (July) recap:

Summer fun fly event: 19 registered pilots, however there were several more that did not sign in. If you fly during a sanctioned event, please make sure you sign in

ZDZ Invitational: (Aug) recap: overall good turnout and seemed to be an overall event. We had several out of state guys attend

Heli Fun Fly: (Sept) Sept 1, 2 and 3rd –this event will be heli only and field will be closed to fixed wing aircraft all weekend until Monday afternoon. Myra's will once again be catering meals over the course of the weekend. Sod farm will be open for electric flying during the weekend

Combat Event: (Sept) Sept 22 Tim will be CD. 8 rounds of flying will be held. This is a restricted event to 1000 maH batteries only and will include counting cuts for points. See website for full rules. This will complete the combat season. Pilot meeting at 1045,

combat begins at 11a. Green Bay will be having a Class B (.46 size nitro combat) 2 weeks later if you are interested

Weed killer was completed by John Robertson

New Business:

Trainer plane use. Question raised if using the club's trainer plane should be done by someone that is club registered as an Instructor. While it is too late to make changes yet this year, discussion held that for next year something may be implemented. Discussion held on options. No further action taken at this time. If you are interested in familiarizing yourself with the Apprentice for setup, please see an officer. Determination made that Apprentice is available for all club members to use. If you use the Apprentice and something happens to the plane, please let someone know so it can be taken care.

Replacement of wind socks. Motion made and approved to buy 2 new windsocks at a reasonable price. TR will take care of ordering the wind socks

Bladed fury will be holding FPV races at the Bladed Fury field located in Juneau on Aug 24th-26th.

Reminders and upcoming events:

Sept meeting returns to The Bar

If you are not getting emails from the club email about meeting notices or upcoming events, please email flyvam670@gmail.com so we can update your email address

Meeting minutes

Date: 09/10/18

Location: The Bar

Time called to order and by whom: at 1803 by President Miller

of members in attendance: 12 members with all officers present

Secretary's report:

Read and approved

Treasurer's report:

Read and approved, we are currently at 73 paid members for 2018

Quarry field report:

Open and flyable and in great shape overall

Sod farm report:

Anticipate that with the rain it may be pretty soggy

Old Business:

Summer events update (if any):

Heli Fun Fly: (Sept) Sept 1, 2 and 3rd – 16 registered pilots for the event. While several may not have attended due to the weather forecast, overall the event went well and all who attended had a good time

Combat Event: (Sept) Sept 22 Tim will be CD. 8 rounds of flying will be held. This is a restricted event to 1000 maH batteries only and will include counting cuts for points. See website for full rules. This will complete the combat season. Pilot meeting at 1045, combat begins at 11a. Myra's will be attendance, serving food at 1p.

New Business:

Securing the field: remember to lock the gate, clubhouse and pavilion cabinet when you leave. Both have been found open a couple of times over the past couple of weeks

No other new business was presented

Show and auction: committee is now being formed for next year's show and auction. Let an officer know if you are interested in joining the committee. Ad will be submitted to AMA shortly. Will continue to have the early admission

Oconto airport will be holding a car, airplane, tractor and army encampment. Airplane and helicopter rides will be available for the 10th Annual event. Northern ACES will be performing. The event will be on Sept 15th at the Oconto airport

Officer discussions will be held at Oct meeting, nominations submitted in Nov, elections at Dec holiday meeting

New generator hour meter: discussion held on getting a hour meter for the new generator to track use. Heath will purchase the hour meter, Marty will install it once it is purchased.

Reminders and upcoming events:

If you are not getting emails from the club email about meeting notices or upcoming events, please email flyvam670@gmail.com so we can update your email address

Be sure to check out the upcoming events on the club website located at flyvam.club for other upcoming events

Adjournment: motion made and approved to adjourn 1825

Submitted by

Mickey Prock
VAM Club Secretary

Meeting minutes

Date: 10/7/18

Location: The Bar

Time called to order and by whom: at 1801 by President Miller

of members in attendance: 10 members with all officers present

Secretary's report:

Read and approved

Treasurer's report:

Read and approved, we are currently at 75 paid members for 2018, which is expected to be final for the year as next month starts 2019 membership. This is down 8 members from 2017

Quarry field report:

Open and flyable, fine and dandy (according to Steve) while wet in spots. Field may get cut one more time yet this year depending on the weather

Sod farm report:

Some minor work is being done, field appears to be dry and flyable. Sod farm closes on Nov 15th. Port-O-Potty is currently locked and bolted to the ground, if you have the key please Heath know so that it can be moved. If key is not located, lock will be cut after Oct 14th so that the port-o-potty can be moved to Quarry field by Nov

Old Business:

Combat event recap: 8 pilots in attendance. Overall great weather and event. Congratulations to Mickey for winning the event

New generator hour meter update: meter purchase is pending at this time. Oil was recently changed. Overall usage is down from estimated projections

New Business:

Show and auction: Now is the time to start gearing. Solicitation of donors will be starting after the first of the year. Publication has been submitted. If you attend a show and auction at a neighboring event, please take some flyers. Flyers have been taken to HobbyTown Appleton and Oshkosh. Flyers will be posted on the club website so you can download and print for

distribution if you need some. There will not be a static model display this year to allow for more tables. We will be looking at doing a mall show at the city center over the winter months

Tom Hunt recently donated a box of supplies and parts to the club. These will be sold at the show and auction. Thank you Tom for the donation

Officer discussions will be held at Oct meeting, nominations submitted in Nov, elections at Dec holiday meeting. If anyone is interested in joining the board of officers, submit your nomination to fly670@gmail.com or let an officer know. Heath volunteered to stay on as Treasurer. TR is open to staying as a President for 1 more year only.

Awards: we will be doing awards at the Dec meeting. Motion made and approved to spend \$30 for awards to be updated. Tim and Jim will chair the committee. Awards will be service award, modeling excellence and best crash award are being considered. If you have a nomination, please let Tim or Jim know. Further information will be posted on forums for nominations and awards

Safe flying: reminder was mentioned to keep flying safe and stay in the flying zone. There is no flying over the parking lot, the pavilions, or city buildings. If you are unsure of the fly zones, please see an officer. If you see a flying violation, please mention to the person of the flying rules. If they continue to violate the rules, let an officer know. Failing to comply may result in a revocation of your membership with repeated violations. A grievance form is located in the membership handbook, located on the club website under "how to join" section. This can be filled out and emailed to the club email

FAA reallocation bill: this passed over the past weekend as part of larger bill. This changed several prior regulations. This allowed the FAA to regulate how they deem appropriate. Two things will occur. 1) an online knowledge test will be required to fly. What this entails exactly and who will be required to take it is not known at this time. This is anticipated to be enacted in the spring. It was also instructed by Congress that no flying will occur over 400 ft. as part of their list of requirements. They also included regulations that allowed the FAA to make changes as they deem appropriate. 2) The change also requires prior permission and notification of flying every time if you are within 5 miles of an airport. A single use notification will be allowed. This may impact sod farm flying as it is 4.7 miles of Appleton airport. Quarry field should not have an impact as it is outside the 5 mile marker. Full information on the impact and what the requirements will be is not known at this time as final regulations from the FAA is not known at this time. Enforcement of the rules is also not known at this time. Until it is known what the FAA rules will be impact is not known. The FAA has 180 days to come up with the knowledge test and rules so it anticipated more will be known early 2019.

Budget discussions and approval of 2019 funds will be held at Nov meeting. If you have any project suggestions please let an officer know or present them at the Nov meeting for discussion. Please try to include pricing options for discussion so it can be fully discussed at the Nov meeting. Options to consider are new picnic tables, an additional rain barrel and a heater. Membership rates will also be discussed

Reminders and upcoming events:

None at this time

Adjournment: motion made and approved to adjourn at 1902

Submitted by

Mickey Prock
