of members in attendance: _15

Secretary's report – Tim Stadler

Treasurer's report – Heath Bartel

Membership Count 2023: __30

Old Business:

Quarry field report: Waiting on next steps for Phragmites removal. Steve reported the starter stand patio pad blocks are raised. Perhaps will settle in spring.

Dues – Be sure to renew both your VAM and AMA membership. Gate combo was changed Jan 1st.

AMA FRIA –FAA Recognized Identification Areas. Heath submitted form to AMA. AMA will submit form to FAA. AMA is the CBO for FAA. In future, VAM is hoping to achieve FRIA approved site. Non-approved sites may need something like Broadcast Module Remote ID but it's too soon to say.

Swap Meet 2023 – Swap meet will be held on April 2nd, 2023 at Maloney's in Kaukauna. This is an approved AMA sanctioned event. Event listing and ad in model aviation submitted and will appear in March/April issues. Next step is to begin raffle prize collection. We have 44 tables so we may need members to also bring tables. Membership approved initial budget of \$700 for hall rental, miscellaneous advertising expenses and addition \$500 for raffle prize budget. We have posters and flyers at area HobbyTown locations and have sent flyer and website link to all AMA site contacts within 200 miles.

Brian Walbrun - Brian picked up 4 planes and a kit that we can do something with at the swap meet with proceeds going back to the club.

Jan 1st Frozen Finger Fun Fly was a great event – lots of pilots due mainly to perfect weather.

New Business:

TR mentioned new facebook group to join named STOLRC.COM and that once you join there is link to website. Can become member if interested via their website for \$20/year.

Club reminders and upcoming events:

Jan 29th – Milwaukee clubs Swap Meet (West Bend) \$5 admission, \$20/table fee

Feb 5th – Green Bay Swap Meet (Denmark) \$5 admission, tables free.

Indoor Flying – Oshkosh – Carl Traeger Gym

of members in attendance: ____19____

Secretary's report – Tim Stadler

Treasurer's report – Heath Bartel

Membership Count 2023: ____36____

Old Business:

Quarry field report: Waiting on next steps for Phragmites removal. There was mention of safety issue with the wood lifting by frost around the patio blocks and patio bricks also heaving upward. We will have to wait until spring to correct the issue.

Dues – Be sure to renew both your VAM and AMA membership. Gate combo was changed Jan 1st.

AMA FRIA –FAA Recognized Identification Areas. Heath submitted form to AMA. AMA will submit form to FAA. AMA is the CBO for FAA. In future, VAM is hoping to achieve FRIA approved site. Non-approved sites may need something like Broadcast Module Remote ID but it's too soon to say.

Membership approved initial budget of \$700 for hall rental, miscellaneous advertising expenses and addition \$500 for raffle prize budget.

New Business:

VAM Summer Fun Fly at Quarry Field – June 8th, 9th and 10th. Sign up is active on club website. Be sure to sign up and order t-shirts in advance.

Will be plenty of events that may include:

- 1) Hit the stick
- 2) Bean bag drop
- 3) Touch and go, loop and roll.
- 4) OKI bowling
- 5) STOL drag race

Vent Pipe Markings – Questions from attendees on whether new vent pipes will be marked. Short answer is yes but club waiting until warmer weather to experiment with materials to ensure the best possible outcome. Use caution in the meantime.

Air Wisconsin – Matt may be putting program together with Air Wisconsin to do some training flights at Quarry Field. More information will be coming from Matt.

CAP – Civil Air Patrol looking to get more involved with VAM this summer. They are asking that we setup a booth on April 29th in Oshkosh at their annual convention. In addition, we may have a VAM site visit from CAP to perform demo or training flights, ground school, etc.

Dogs at Quarry Field – There was concern over dogs being off leash at Quarry field. This is in the discovery phase and no official club bylaw amendment or field rule has been motioned.

Training Night – VAM will again hold club training night on Thursday nights starting on April 20th.

Combat – The yearly combat league will kick off with a build night at Quarry field on April 18th, Test and tune night on April 25th and first combat event on May 2nd. See club website for more information on combat requirements.

Club reminders and upcoming events:

of club officers in attendance: All 4

of members in attendance: _18

Secretary's report – Tim Stadler

Treasurer's report – Heath Bartel

Membership Count 2023: ____41

Old Business:

Quarry field report: Waiting on Phragmites removal. Safety Issue around patio blocks. Waiting for warmer weather to fix. TR and Heath leading effort to mark vent pipes.

Dues – Be sure to renew both your VAM and AMA membership.

AMA FRIA –FAA Recognized Identification Areas. Heath submitted form to AMA prior to January club meeting. We are now waiting on AMA/FAA – could be a while.

Swap Meet 2023 – Swap meet will be held on April 2nd, 2023 at Maloney's in Kaukauna. Tim discussed final preparation steps. Still have open budget of \$500 for raffle and \$700 for the hall.

VAM Summer Fun Fly at Quarry Field – June 8th, 9th and 10th. Sign up is active on club website. Be sure to sign up and order t-shirts in advance.

Air Wisconsin – Matt indicated program will occur on some weekend with assist from instructors.

CAP – Civil Air Patrol looking to get more involved with VAM this summer. They are asking that we setup a booth on April 29th in Oshkosh at their annual convention. In addition, we may have a VAM site visit from CAP to perform demo or training flights, ground school, etc.

Dogs at Quarry Field – Closed discussion on dogs. The dog owner was reminded to keep dogs away from airplanes and runway. We don't want to say no dogs allowed but first and foremost this is a flying site and not a dog park.

Training Night – VAM will hold club training night on Thursday nights starting on April 20th.

Combat – Build night on April 18th. Test and Tune April 25th. First combat event May 2nd. See website for combat build and requirement information.

New Business:

Ground school – if there is interest, VAM will conduct a formal ground school event this spring.

Fire Extinguisher – There was question about Class D fire extinguisher at Quarry Field. We have a couple ABC types out there but no Class D. But it was mentioned that fire extinguishers were to put out the field on fire and not necessarily LIPO batteries. This will be discussed and possibly added with the spring field improvement budget that will be discussed in May.

Flags – The flags at the field are worn out. Membership voted and approved \$50 for Tim to purchase new flags (hopefully 4 for the cost).

Club reminders and upcoming events:

Treasurer's and report – Heath Bartel

Swap Meet Financials – Heath Bartel

Membership Count 2023: ____50

Old Business:

NOTE: Starting in May, VAM meetings will be at Quarry field until fall.

Quarry field report: Waiting on Phragmites removal. Steve K. and Mike S. removed the plow markers, stakes by the patio blocks, etc. TR leading effort to mark vent pipes. Tim B. will roll the field when conditions are right. Clubhouse wet inside after last rain event.

Membership approved \$100 for field batteries, general field odds and ends including possible new fire extinguisher or safety bag for LIPO batteries.

City Building Removal – Electricity was discussed briefly but we do not have estimate and cost is thought to be north of 10K so not sure this is something membership wants to pursue.

Dues – Be sure to renew both your VAM and AMA membership **before flying!**

AMA FRIA –FAA Recognized Identification Areas. Heath submitted form to AMA prior to January club meeting and we are waiting on AMA/FAA. It could be a while.

Swap Meet 2023 – Swap meet was profitable and numbers shared with those in attendance. Membership wants to stay with Maloney's for another year and stick with first Sunday in April. Feedback was that we need to do better with volunteer scheduling. Complaints on how we handled the door admissions. All-in-all a positive event, but room to learn and do better next time. Membership suggesting we pencil in Sunday, April 7th, 2024 for next swap meet at Maloney's. Thanks to Brian Walbrun for coordinating donation of funds to the club from sale of airplanes and equipment. Thanks to all members that volunteered or participated.

VAM Summer Fun Fly at Quarry Field – June 8th, 9th and 10th. Sign up is active on club website. Be sure to sign up and order t-shirts in advance. Craig volunteered to cook brats and burgers and drinks on a couple of days. Membership approved \$400 budget for raffle prizes, food, and misc expenses.

CAP – Civil Air Patrol looking to get more involved with VAM this summer. April 29th VAM will setup booth at Oshkosh convention center between noon at 4pm. More information will be shared on facebook site once we know more. In addition, we may have a VAM site visit from CAP to perform demo or training flights, ground school, etc.

Training Night – VAM will hold club training night on Thursday nights starting on April 20th.

Combat – Build night on April 18th. Test and Tune April 25th. First combat event May 2nd. See website for combat build and requirement information.

Ground school – VAM will hold ground school on May 13th at 9am at Quarry field. No advance sign up is necessary but participants are asked to arrive on time as information will only be covered once. Attendees may fly after the session if weather permits.

New Business:

Don brought up subject of new anemometer (measures wind speed) and possibly other information such as thermometer for clubhouse. There was discussion on adding solar panel, wind turbine, etc. In the end, it was determined we don't need large device but rather something that is much smaller (possibly battery or single solar panel) than can do the job. Research continues.

Secretary's report – Tim Stadler

Treasurer's and report – Heath Bartel. Heath announced amendment to raffle sales at fun fly previously reported with total income from event unchanged.

Membership Count 2023: ____73____

Old Business:

Quarry field report: Chris Rogers from New Paradigm Companies will continue working on the field throughout the summer to remove Phragmites, site cutting, grading operations, etc. TR leading effort to mark vent pipes. Mowing deferred due to lack of rain.

Quarry field expense budget: Open budget (\$100) for general expenses.

Quarry field no fly zone – Budget \$50 approved for new no-fly zone sign.

AMA FRIA –FAA Recognized Identification Areas. Heath submitted form to AMA prior to January club meeting and we are waiting on response. Discussion around some clubs located next to airports being denied.

Sailplane Sunday – No update.

New Business:

Sweatshirt orders – Hats have arrived but all but 2 sold in club meeting. Heath to build website entry for sweatshirt orders.

Tractor Belts – Steve and Mike requesting \$125 for new tractor belts. Motion was approved.

Colleen Elliott – Donated sailplane to the club. TR will take it to try and get it converted for winch launch.

Trainer – Motion for club to spend \$60 on Apprentice purchase from Bob for use in club training night. Motion approved.

Brennand Days – Club discussed and due to insurance cost, 107 concerns, and effort, club decided to make it a non-flying static display show instead of flying for 30 minutes. Instead, club will focus on making flight sims available, better static display, etc. Tim to notify Todd.

Training Equipment – Heath requesting someone to donate or loan a Spektrum DXE for use in training.

GB Combat – There is upcoming combat event in Green Bay. Please see Heath if interested in attending. This would be E-1000 class and will be held on Saturday, July 29th from 9:30 to 1pm.

Winter Meetings – Marty checking into November meetings resuming at Abby bank in Grand Chute.

Membership Count 2023: ____76____

Old Business:

Quarry field report: Chris Rogers from New Paradigm Companies will continue working on the field throughout the summer to remove Phragmites, site cutting, grading operations, etc.

Flag was changed.

Tractor Plates – Steve and Mike replaced the tractor belts. Work is needed on the tractor deck with the two plates where the springs are mounted.

Quarry field expense budget: Open budget (\$100) for general expenses.

Quarry field no fly zone – Budget \$50 approved for new no-fly zone sign. Work in progress. This is needed as people not knowing where the flying boundaries are located or simply ignoring club rules.

AMA FRIA –FAA Recognized Identification Areas. Heath submitted form to AMA prior to January 2023 club meeting and we are waiting on response.

Sweatshirt orders – Heath to build website entry for sweatshirt orders when time permits.

Brennand Days – Static display, flight sims very successful. Flying is very riskier as trees continue to grow in the airspace where we would be flying. We had two collisions where in one case very expensive plane hit a tree and was a complete loss and in another event a plane taxiing took out runway breakaway light and sustained wing damage. We truly need to reconsider if flying is necessary as part of our community outreach program or whether static display is sufficient. We may need further discussion on this topic once FRIA rules go into effect in September. If we decide not to fly, we must inform Brennand team early so they update flyers, website, accordingly.

Training Night – Thanks to Andy Gallman for donation of Spektrum radio for use in flight training.

Winter Meetings – Marty checking into November meetings resuming at Abby bank in Grand Chute.

New Business:

Field Tables – Club will think about whether to build more field tables or wait until spring. No updates from Marty at this point.

Old Business:

Membership renewal – Renewals begin November 1st. Any member joining after November 1st gets rest of year and all of 2024.

Quarry field report: Chris Rogers from New Paradigm Companies will continue working on the field throughout the summer. Snowplow stakes can be added soon. Rain barrels will be removed soon.

Dogs - There is ongoing concern about people not cleaning up after dogs at Quarry Field. We may need leash rule or ban dogs if problems persist. This is second warning.

Tractor Deck Plates – Work is needed on the tractor deck with the two plates where the springs are mounted. Mike and Steve calculated \$200 in parts are needed but may see if the parts can be welded.

Quarry field no fly zone – Budget \$50 approved for new no-fly zone sign. Work in progress.

FRIA Approved Sign – Many clubs are being designated as FRIA-approved so we may have a small sign created to show that VAM Quarry Field is FRIA approved.

AMA FRIA –VAM received FAA Recognized Identification Areas (FRIA) approval and this expires on 9/13/2027. The FRIA approval is for circle 1000' around the wellhead just north of the clubhouse.

VAM Branded Clothing Items – Order Status. Website is open – this is being extended until next meeting but then it will be closed so people will have items in time for Christmas.

Membership Count 2023: ____83____, 2024: ____3____

Old Business:

Membership renewal – Renewals are open. All members should renew check and renew their VAM membership, AMA membership, and FAA registration when due. On January 1st, gate combo will be changed.

FAA Registration – Many are coming due in December. When you renew, you must fill in at least one model.

Quarry field report: Chris Rogers from New Paradigm Companies will continue working on the field to remove Phragmites, grade the north end of the field, etc. Time to winterize the field, bring in a few tables into clubhouse, add snowplow stakes, put away picnic tables, etc.

Tractor Deck Plates – Motion to approve \$185.47 to pay Scott Koehler for Gravelly parts at discount pricing was approved.

Mike mentioned that tractor is being worked on at Ben's small engines and we need funding to approve oil lead repair when Ben's calls with final estimate and approval request. Motion to approve up to \$1500 was approved but cost is expected to be far less.

Quarry field No Fly Zone/FRIA signs – Signs were installed and project is complete.

VAM Branded Clothing Items – Orders in progress. Final week to place your orders!

New Business:

Club Officer Elections – Nominations are open. Voting to occur in December. Existing club officers have expressed willingness to stay in current positions. This includes TR Miller as President, Travis Stone VP, Heath Bartel Treasurer, Tim Stadler Secretary.

VAM Swap Meet – Motion approved for \$100 to start AMA advertising, permits, etc.

Note: Thanks to Joe Fritz who donated helicopter kit for the raffle.

VAM Club Handbook – Tim to update handbook to eliminate reference to Sod Farm and to update no-fly zone image, and other minor updates. This will be posted in groups -> files page on Facebook and in RC groups.

Annual Club Awards – There was discussion on club awards and it was mentioned Steve Kiser typically handles this. Steve was absent from the meeting.

Bat Box for Lipo Charging at Quarry Field – Sam requested for club to consider purchase of bat box or equivalent for safe LIPO charging at Quarry Field. They run around \$70/each. These can be used when only a few members are at the site and while people flying and batteries charging. VAM has a site rule about no unattended charging. Might be good training tool for members.
