Small oil leak in Gravely Tractor – Need to continue watching it.
City to fix NW corner of runway later this year.

Fun Fly Results– June 13, 14, 15 (Fri, Sat, Sun). Financial results were shared. Profitable event. Suggestion to raise food prices as our prices were fairly low in comparison to other events – but this was tabled until next year.

CAP – Lindsay from CAP looking to do something different than rockets this year. Perhaps more of a drone theme with max 30 kids. Looking at Tuesday, Aug 26, will bump combat as this event also from 6 to 8pm. Heath indicated help is needed with flight sims, trainers, drones, etc. We should have more information at August club meeting.

New Business:

Brennand Days – This is coming up on August 9th and this was our last club meeting prior to the event. VAM will not be flying but will put on static display in Todd's hangar again. We want more static larger aircraft, more flight sims, interactive exhibits, etc.

Combat – Every Tuesday Night 6pm

R/C Training Night – Will individually schedule via club email.
